CUNYfirst – Benefits for Students

The following is a listing of benefits to Students using CUNYfirst.

General Information

- Single user name and password for all CUNYfirst applications (especially if a student also is an employee of the College)
- Direct connections via internet to CUNYfirst Portal from any location. Not connected to current CUNY Portals

Campus Solutions – Registration

- Ability to search for classes by name, discipline, class number or other factors. Also displays which classes are open or closed
- Students can place class choices into a “shopping cart”. Confirm classes that are wanted for final schedule
- Ability to plan future term course choices

CS – Student Records

- Ability to view, on demand, personal information and class history. In some cases students can change information (contact data, secondary email address, etc.)
- Ability to access unofficial transcript for planning purposes

CS – Student Financials/Financial Aid

- Ability to view, on demand, personal information and work history
