## Scholarships

We offer low tuition and need-based scholarships only—because access to legal education should be driven by purpose, not price. Apply for admission by our **January 1 Scholarship Priority Deadline**.

## Financial Aid

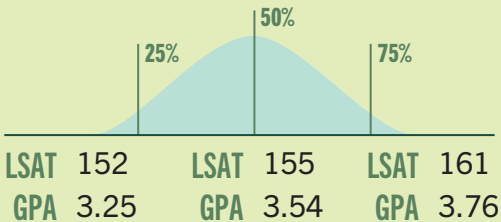

We’re here to help you understand your options and make law school possible. Reach out to the Financial Aid Office at **(718) 340-4284** or **financialaidoffice@law.cuny.edu**.

## This Is What the Future of Law Looks Like

Race, ethnicity, and gender are social constructs, but the systems built around them are real. Being able to see yourself reflected in this community matters. Because representation matters.

# One Mission, Multiple Paths

Our flexible JD programs make law school possible for students who work, care for others, or need a different pace.

Both tracks offer the same curriculum, skills training, clinic placement, and strong community connection.
